Deutsches Symposium zum Thema „Täter und Opfer (sexueller) Gewalt“

Freitag, 9. März 2012 // Friday, 9 March 2012

*Deutsches Symposium speziell für die deutschen Kongressteilnehmer
(German Symposium especially for German participants)*

Wer in seinem beruflichen Umfeld mit Kindern und Jugendlichen zu tun hat, wird auch mit dem Thema Jugendgewalt und sexuelle Gewalt durch Jugendliche konfrontiert. Das Deutsche Symposium „Täter und Opfer (sexueller) Gewalt“ richtet sich daher an alle Berufsgruppen, die mit Kindern, Jugendlichen und Heranwachsenden arbeiten. Es werden Vorträge und Workshops angeboten zu Entstehungsbedingungen und Folgen von Gewalt, zum Zusammenhang von psychischen Erkrankungen und aggressivem Verhalten, zur Gutachtenerstellung und zu juristischen Aspekten von Jugendgewalt.

Angeboten werden Symposien und Workshops zu den Themen

- ▶ Entwicklung aggressiven und delinquenten Verhaltens
- ▶ Interventionsmöglichkeiten bei delinquenten Jugendlichen
- ▶ Gutachtenerstellung im Strafrecht und Opferentschädigungsrecht
- ▶ Familienrecht und Kinderschutz
- ▶ Diagnostik und Risikoeinschätzung

Die Gebühr für das Tagesticket beinhaltet:

- ▶ Eintritt zu allen Sitzungen des Deutschen Symposiums und des internationalen Programms
- ▶ Finales Programm
- ▶ Zugang zur Poster- und Industrieausstellung
- ▶ Teilnahmebescheinigung

Join us for the Congress Dinner Party

- ▶ Thursday, 8 March 2012, 19.30 – 0.30 h
- ▶ Umspannwerk Ost
- ▶ Dinner buffet and beverage package incl. house wine, beer, soft drinks, coffee and tea

The restaurant is located in the Eastern part of Berlin, close to Alexanderplatz in a former transformer plant. The impressive ceiling height, the old gallery and the glazed hall gates create a special atmosphere and character. The focal point in the Umspannwerk Ost is the 10 meter bar and the buffet with its old iron and electric braces. The show kitchen offers a free view from all sides and is located on the ground level of the restaurant. After dinner the party will be continued in the theatre club, which you will find in the basement. It has an urban, yet cosy feeling with its visible constructional elements, moulded riggers, granite plinths and the exposed brickwork. Party the night away or enjoy another glass of wine in the main restaurant. We are looking forward to sharing this special evening with you.

Cost contribution:

- ▶ EUR 50 for congress participants
- ▶ EUR 25 for active participants (chairs, co-chairs, speakers)

Welcome Address

After reviewing about 300 submissions I am glad to invite you to the 3rd EFCAP Congress, which will take place from 7 – 9 March 2012 in Berlin. A fascinating and very rich programme with symposia, poster sessions, workshops and site visits of various local institutions will bring together researchers and forensic practitioners from more than 23 countries. Please benefit from the early registration fees and spread the word about the 3rd EFCAP Congress among your co-workers and colleagues.

Our congress venue is the famous Langenbeck-Virchow-House, which is located in the historical centre of Berlin, in walking distance to the German parliament and government buildings, to Brandenburg Gate and the vibrant city centre. The congress party will take place in a special location in East Berlin, a former electricity transform station called the “trafo”. The same building is also the home of the Berlin Criminal Theatre, so it seems to be the appropriate place for a party of forensic scientists and practitioners.

In Germany we share the responsibility for young adults between the ages of 18 – 21 with our adult psychiatric colleagues. Hence, we invite adult psychiatrists working with young adults to this congress, which focuses on perpetrators and victims.

In the name of the organising committee I invite you to Berlin and look forward to meeting you in March 2012.

New Research Poster

For the first time at the EFCAP Congress in Berlin young forensic researchers will have an opportunity to submit latest research posters **until 13 January 2012** for a poster session on Friday, 9 March 2012. This gives young forensic researchers the chance to communicate their first results or to describe and discuss new study designs, especially since the EFCAP congress provides an opportunity to discuss new developments with colleagues and experts from all over Europe and many other countries around the world.

Abstract submission deadline: 13 January 2012

Please send the following information to efcap2012@cpo-hanser.de:

- ▶ Name and complete contact information of the poster author
- ▶ Name(s) of co-author(s) if applicable
- ▶ Title of research poster
- ▶ Topic of research poster
- ▶ Abstract text (150 – 300 words)
